tution of the United States is literally or sublly an oath to support the Lincoln Adin tration. No impression could be more n nded or more absurd. The Lincoln adto support the Constitution is not an oath to

persons, but the Government has surextread all of them up to this time and is a by in the dot of them up to this time and whether the many the product of the many to the them the days of Washington and an anomymous left and a send Jefferson. An Administration can be at the longest, for only four years, but the Commer of yesterday an anonymous left and a send Jefferson. An Administration can be at the longest, for only four years, but the Commer of yesterday an anonymous left and in the Commer of yesterday an anonymous left and in the Commer of yesterday an anonymous left and in the Commer of yesterday an anonymous left and in the Commer of yesterday an anonymous left and in the Commer of yesterday an anonymous left and in the Commer of yesterday and anonymous left and yesterday and ye

carrial head to it. It is, that their oath to persuaded to ill more than a third of a column of the United States, the second of the United States, as strongly as any human vow could, to rest the second of Kentucky from the I mired States. Most assuredly a Kentuckian's eath to support the Constitution of the United States. Most assuredly a Kentuckian's cath to support the Constitution of the United States is not consistent with an effort on his tart to cast that Constitution utterly off from Kentucky to annihilate it, to strike it dead to ago ut all her limits, so that, even when the Republican d nasty at Washington shall are a baref nerical States, consequently no such power as the Union, is upposed to its result. The the second of the United States is not consistent with an effort on his tart to cast that Constitution utterly off from kentucky to annihilate it, to strike it dead to ago ut all her limits, so that, even when the Republican d nasty at Washington shall are a baref nerical to a limit of a column of his paper with the startled youth's cathout the startled youth's cathout destroy the Democratic party, and strippilous traitors, headed by Yanery, who telleve he will all their band of unsured that the strippilous traitors, headed by Yanery, who their destroy the Democratic party, and strippilous traitors, headed by Yanery, who their destroy the Democratic party, and strippilous traitors, headed by Yanery, who their destroy the Democratic party, and of wide the conservative element North and South as inevitably to produce a sectional contest the non-test party, and solvide the conservative element North and South as inevitably to produce a sectional contest the name and the destroy the Democratic party, and ovivide the conservative element North and South as inevitably to produce a sectional contest the name and the strip part and the trait of the finance and the name of the Union is supported to find a contest of the limit of the Union is and prepared to the first and the first and the match of the lin to sughout all her limits, so that, even when the logical power as the Loted States, consequently as a crash crash brief period have perished, no U.S.

Constitution can have life and being among the logical power as the Loted States, consequently no such power as the Lo

The mar who does not agree with us in this mast, it seems to us, have either a thoroughly staped or a strangely perverted mind.

We have thought it best thus to present the twarf that they may not be usisled by the history of cunning and unprincipled as beam case and Computators into the unwary commission of a wrong. We should be glad to see the whole of them come cheerfully m and the che case to come cheerfully may and the che come cheerfully may and the cheerfully may and the che come cheerfully may and the cheerfully may the adoption of the continuous may be continuous and the cheerfully may and t except with a deep and earnest resolve to fullift in good faith and to the extermost. We
tail ink that ever taken all in all
produced and red and galla a set of No deal be a paper. Jan

anding can bring him elf to make such state ients to the world. It is astonishing. an't account for it. To say things so notori isly unfounded i to insult the public sense The Conrier says that "there is no reign of error in Tennessee," that "there has been no that "there will be none." Now the Courie knows that Tennessee has seized a Kentucky eambout at Memphis and keeps it in her own possession. The Carier knows that Ten ess e will : Il w no ir ward bound Kentucky boat to pass M mph's. The Courier knows that at hes from Washington is calculated to make the Vigilance Committee of M mphis, an illehe impression that Col. Anderson is to estab. gal and irresponsible en anization, exercises 1 h himself in Louisville, and that the Ken- the power of driving tuen from the State with u kv Brigade, now near Cincinnati, is to be out legal trial and of scarching the express wagor ruling out whatever matter it pleases. The

br th here to sustain him. There is no truth ous and even the U.S. mails and contiscating We speak advisedly when we say that Col. Courier knows that the Vigilance Committee Anderson is not coming to Louisville. We are the lost reason to believe that the Miliry District in this State was created in day. The Conrict knows that the Vigilance mere compliment to him and without his Committees of Brownsy lie and other towns of the rharge of disunion preferred against him. He felt it to be his duty to declare his unalterknowledge. Col. Anderson, we repeat, is not reming to Lonisvile, and there is no probability that any other U. S. officer will come. the Sante by a named day or be pre-A matters stand, it is not necessary, it is not pared to take compulsory service in the dismable, it is not expedient, that any one union cause. The Courier knows that the guage: union cause. The Courier knows that the gractest, it is not expedient, that any one add come here. Col. Anderson is in ill add come here. Col. Anderson is in ill subty, and expects to spend the summer in the requirement of Pennsylvania.

We trust that our fellow-citizens, even in losse times of nervous excitement, have too take hense to permit themselves to be distant to be thousand and one telegraphic it not thousands of Union preps. Jeaving all the Constitution and the framework of the friends that supported me, or that I reveal an united with a solid of distant to distant to the friends that supported me, or that I reveal an united with a solid of distant to the friends that supported me, or that I reveal an united with a solid of distant to the friends that supported me, or that I reveal an united with a solid of distant to the friends that supported me, or that I reveal an united with a solid of distant to the friends that supported me, or that I reveal an united with a solid of distant to the friends that supported me, or that I reveal an united with a solid of distant to the friends that supported me, or that I reveal an united with a solid of distant to the friends that supported me, or that I reveal an united with a solid of distant to the friends that supported me, or that I reveal an united with a solid of distant to the friends that supported me, or that I the Constant to the friends that supported me, or that I the Constant to the friends that supported me, or that I the Constant to the friends that supported me, or that I the Constant to the friends that supported me, or that I the Constant to the friends that supported me, or that I the Constant to the friends that supported me, or that I the Constant to the friends that supported me, or that I the Constant to the friends that supported me, or that I the Constant to the friends that supported me, or that I the Constant to the friends that supported me, or the fall that the Constant to the friends that supported me, or that I the Constant to the f toese times of nervous excitement, have too they would not be permitted to fulfill their critical hacase to permit themselves to be disagreements. The Courier knows that handreds t hed by the thousand-and-one telegraphic it not thousands of Union men, leaving all the by the thousand-and-one telegraphic to thousands of Union man, leaving all the property behind them, have made their repetry behind them, have made their research them, have made their research them, have made their research to the property behind them, have made their research the subject of the general character of its policy, has no thought of interfering with the avowed neutrality of Kentucky, organ of the dominant party in Tennessee, the policy of the dominant party in Tennessee, and the company of the dominant party in Tennessee, and the property behind them, have made their research the property behind them, have made their research the property of the wind where experiment has demonstrated that free institutions may be established over a great pentile with public order.

acter of its policy, has no thought of interfering with the avowed neutrality of Kentucky, or doi g anything that could give just of a sum of the dominant party in Tennessee, when directly que timed as to whether Union men would be permitted to make Union speeches in Nashville and whether they would be called an inspired instrument. Let us keep it, and keep it pure. THE STATE GEARD-THE HOME GUARD - be suffered to give Union votes at the polls in Nor was it Mr. Breckinging alone who pro-HI. iper 2st.—A recent visit to ancient Siden has jurced me in procession of some facts with regret the present condition of that city, which may be or interest to the readers of the World. For interest to the readers of the World. For interesting the past Sidon has been over crowder with thousands of refugees, from Hasteiry, Mer. Alyan, and Jezzin, and the mortelity among them has been astonishing. About thirtest Lund ded for the paper of the splaces were killed in the na sacres, and more than fifteen landed by did for the paper of the splaces were killed in the sacres, and more than fifteen landered by did for the city of Sibn. The type are two in a liprewailing there, and the world of truction in a tyst done.

The unash government officers have done to be the condition of the city of the world of truction in a tyst done.

The unash government officers have done to be the covers has been equal to their endanvors. While the type is to see a read to their endanvors. While the type is to see a read only among the new tower ments of the type in the second only among the new tower ments of the type in the second only among the new tower ments of the city of the type in the cover ment of the city of the city of the type in the city of the cit

its ravages en.

arried of the "faithm.

b." Find Pasha has been oblig.

a clueve the over-crowded population.

The curse pursued for releving the difficus was 'ruly Turkish, end instead of lessaning will colly increase the mortality. The poor refugees, who had been crowded into the khans ell winter, were suddenly turned eat to live in tents. This movement would he a close na net of mercy and wildow had it been properly directed. But the situation chosen for pitching the tents is at the mouth of the river had, are exposed to the lourning revs of the sum b. day, and a chilling laud breaze by night, with the malaria of the half deriver-bed steaming upon them, and sowing the seeds of fever.

Add to this that ell their water for drinking must be havinght from the city—no small distence and you have some of the circumstances which, red, will greatly eight be Turke in ridding elves of the burden of caring for the poor.

A protest has been made against this will greatly eight be formed against this will be a burden of caring for the poor.

A protest has been made against this will greatly eight be formed against this will greatly eight be a burden of caring for the poor.

A protest has been made against this will greatly eight be formed to the formed the same of the circumstances which, and it level one-faird gray. A few application will be found, nother has there been proposed to the formed the same was professed to you, or even fairty was provided and the form the circumstances which, and will be first the protect the form of the circumstances which, and a liver, and in their week' time there was the formed the same of the circumstances which, and a liver, and in their week' time there was the formed the same of the circumstances which, and a liver and there seem to be found, nother has there been proposed to be found, nother has there been proposed to be found, nother has there been proposed to you, or even faith you and known already and the found in the found of nie piace can be found at Harat Saida, justiere the gardens.
The hospital accommodations for the sick in idea are ample and excellent. The best hospital that of the Knights of St. John, supported the Protestant nobles of Isermany. It constitutes Protestant nobles of Isermany. It constitutes the protestant nobles of Isermany. It constitutes the protestant nobles of Isermany. The section of the protestant is the constitute of the protestant in the protestant i

in a colo a he ofial, an orphin house, and a time a house in Bin "I.

There are also in Sidon a French house, with a five-cipht patients and a Tui, "igh heaptial with venue, making a total of one bundred and a the hospitais. The refures are so fraind of the Turks that, as soon as they magnet be opproach of disease, they hasten to the i Unesan hospitale less they be carried to that of the use. On the day of my visit twelve fever parts and be a small of a first patients are more likely to die in the hands of the less year.

WARRES BELLE &, Perry county, Pa.)

June 7th, 1861.
